SUBJECT: Community Development Block Grant (CDBG) 2015 Applicants' Workshop for Non-entitlement Communities

The Georgia Department of Community Affairs will be conducting a CDBG Applicants' Workshop December 3-5, 2014, at the Marriott Macon City Center, 240 Coliseum Drive, Macon, Georgia 31217. We anticipate an application submission deadline of April 1, 2015.

The purpose of this workshop is to inform local government officials and other interested parties of the procedures to be used in preparing CDBG applications. The workshop is designed to provide you an opportunity to learn the details involved in putting together a competitive application, to ask questions, and to share information. At the workshop, you will be provided an Applicants' Manual that describes the application process and the guidelines that will be used in evaluating applications. The details of the workshop are included on the attached draft agenda. *Please note that in addition to learning about preparing CDBG applications, DCA will continue its training on various Fair Housing Equal Opportunity Requirements, making the workshop also appropriate for current CDBG grantees.*
